I can be reached by telephone, but it is a bit complicated. We split our time between our mountain carving haven in Montana and the flat lands of California. We have telephones at both locations, but when we are gone we turn off the answering machine. If it is winter try the California number. If it rings, but there is no pick-up, try the Montana number. Reverse this for spring and summer. We expect to be in California from late November until at least mid February. I have the same email at both locations.

California (530) 758-5692            Montana (406) 995-2918

I can also be reached by email: **rltravis@ucdavis.edu**

Make final payment check (June 1<sup>st</sup>) payable to CCA and send to:

**Bob Travis**  
**P. O. Box 161657**  
**Big Sky, MT 59716-1657**

PLEASE NOTE: To ensure adequate instructor time for every student we limit enrollment to 39 students. Each daily session will have a maximum of 13 students.
